

Mary's Dowry Productions presents - 'Kateri Tekakwitha: Lily of the Mohawks' © 2011 - Run time: 50 minutes

The life of St. Kateri Tekakwitha from records and documents is presented in a visual story using symbolic and relevant artwork, imagery, footage of nature and costumed visuals. This one hour film gives a simplified biographical representation of this great Mohawk Saint recently Canonised by Pope Benedict XVI. The details, facts and records are taken from various biographical sources and represented in her own words; the narrative is from her point of view and begins with her early life taking the viewer/listener through her whole journey, focussing especially upon her spirituality, her deep love of the Catholic Faith and in particular her heroic sacrifices and penances due to her devotion to the Passion of Our Lord. This is not a 'movie' produced for entertainment neither is it purely a biographical documentary, this is a creative and simplified way to learn the life and spirituality of St. Kateri Tekakwitha with visual aids to help the narrative flow well.
