POPE JOHN PAUL II at the VIGIL

8/14/93 - Denver, CO

Dear Fr. Brugère,

yes, we did have a great conference. all the people there wanted to be there... as I mull over Denver, CO, I realize more and more the miracles I received and I am grateful... use only what you wish of what I send always... we may have a Kateri miracle for your investigation? I pray it works out.

I am very happy about the translation of Fr. Richard's book into English. He also would approve. I will do as I said. Let us get definite for Jan. 1994 - tax year. Please do not tell people of my part.

KEEP UP THE GOOD WORK - BLESSINGS

ANNE
